10,000 years in our Traditional Homeland, Prince William Sound, the Copper River Delta, and the Gulf of Alaska

Performance Standard

Applicant must be able to regularly lift and carry 75 lbs. over rough terrain. The position requires that applicants are in sufficient condition to perform physically demanding tasks. The use of hand, eye and muscle coordination to safely operate boats, trucks, power tools and hand tools is required.

Environmental Factors

Majority of work will be completed out of doors. The position poses significant risk of encountering inclement/cold weather and dangerous wildlife. This position entails risks of injury from using power tools and normal risks of physical labor done in the outdoors.
